STREET DIRECTORY.

The aim of the Street Directory is to give the location of each Street, and show what other Street or Place runs from or across it with the number at which they intersect. By its aid any person, even a stranger, can go to any numbered house without unnecessary travel.

From this List the location of any number on a Street can be easily ascertained. For instance, you wish to know at what part of Washington Avenue 298 would come, you look for Washington Avenue, and find that Knox crosses at 260 left, and Snipe at 310 left, so that 298 would be the sixth house from Snipe on the left hand side.

BLASIE'S

SUPERIOR INSTANTANEOUS HAIR DYE.

**BLACK OR BROWN,
Positively the Best in Use.
TRY IT AND BE CONVINCED.**

IT SAVES TIME AND LABOR. For example, the liquid No. 1 is applied to the Hair or Whiskers without previously washing the same.

No. 2 is applied without going through the process of drying No. 1.

The Hair or Whiskers require no drying after No. 2 is applied, but are immediately ready to be washed out, thereby avoiding the time and labor as in other dyes.
